Shanghai HEFIL Purifying

Part 1: HEFIL Company Profile

Shanghai HEFIL Purifying

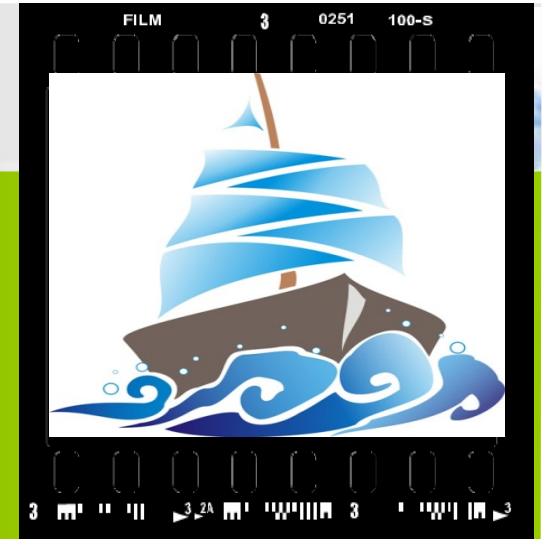

- 1 HEFIL history and Market
- 2 HEFIL Production Equipment and Facilities
- 3 HEFIL Factory Production Capacity
- 4 HEFIL Application Field

Company name

Shanghai HEFIL Purifying

2001

Shanghai HEFIL Company established in Shanghai Baoshan District

2006

HEFIL moved the factory to JiuFU Development Area at the end of 2006

2008

HEFIL imported PAO Inspection Equipment from America in 2008

2009

HEFIL Annual Output is over 30 million RMB in 2009 (Domestic and Foreign Market)

2010

HEFIL Chinese and English Mark Registration in 2010

2011

HEFIL Registration Capital increased to 10 million in 2011

2012

HEFIL moved to Songjiang High-tech Park in 2012

Shanghai HEFIL Purifying

Shanghai HEFIL Purifying Equipment Manufacturing Co., Ltd. was founded in 2001, and it has a reputation of HEFIL brand at home and abroad. HEFIL is devoted to the development, manufacturing, wholesale and retail of air filters, chemical filters, high temperature filters, fan filter units, other cleaning equipments and clean room products, and it can also provide the services of related technology and equipments. HEFIL has the most advanced computer-controlled automatic production lines for the production of mini-pleat panel air filters, separator air filters and cartridge filters, also is provided with the perfect testing process and the dust-free workshops.

All kinds of purification and filtration products made by HEFIL are widely used in semiconductor industry, electronics industry, nuclear industry, pharmaceuticals industry, biotic experiment, food and beverage industry, electromechanical device, environmental protection, chemical industry, painting industry, automobile industry and other fields. HEFIL has successfully obtained ISO 9001:2008 quality management system certification; HEFIL products have been certified by SGS/RoHS.

Shanghai HEFIL Purifying

HEFIL always makes efforts in market development with the perfect quality, the good pre-sales and after-sales services.

Moreover, HEFIL fully implements the guidelines in business - "Survival Depends on Quality and Service; Markets Rely on Price and Brand". HEFIL product sales are improving year by year, and the products' market share continues to increase One after another in Beijing, Shanghai, Jiangsu, Zhejiang, Anhui, Shandong, Guangxi, Sichuan, Hainan, Chongqing, Hubei, Guangdong, Hunan, Henan, Hebei, Shanxi, Shaanxi, Yunnan as well as Malaysia, Mexico, Singapore, Australia, India, Canada, Japan, the United States, Germany, Russia and so on, HEFIL products have their own customer base.

Shanghai HEFIL Purifying

Shanghai HEFIL Purifying was founded in 2001, and becomes very professional in Filter Manufacturing.

HEFIL is one of the largest manufacturers and distributors of air filter products and equipment

HEFIL is an excellent and prestigious factory in China, which was founded in 2001, and its headquarter is located in the financial capital of Asia - Shanghai.

Hefil purifying relocated from Baoshan Shanghai to Jiufu Development Zone in 2006.

About HEFIL's Future, we can still make progress quickly.

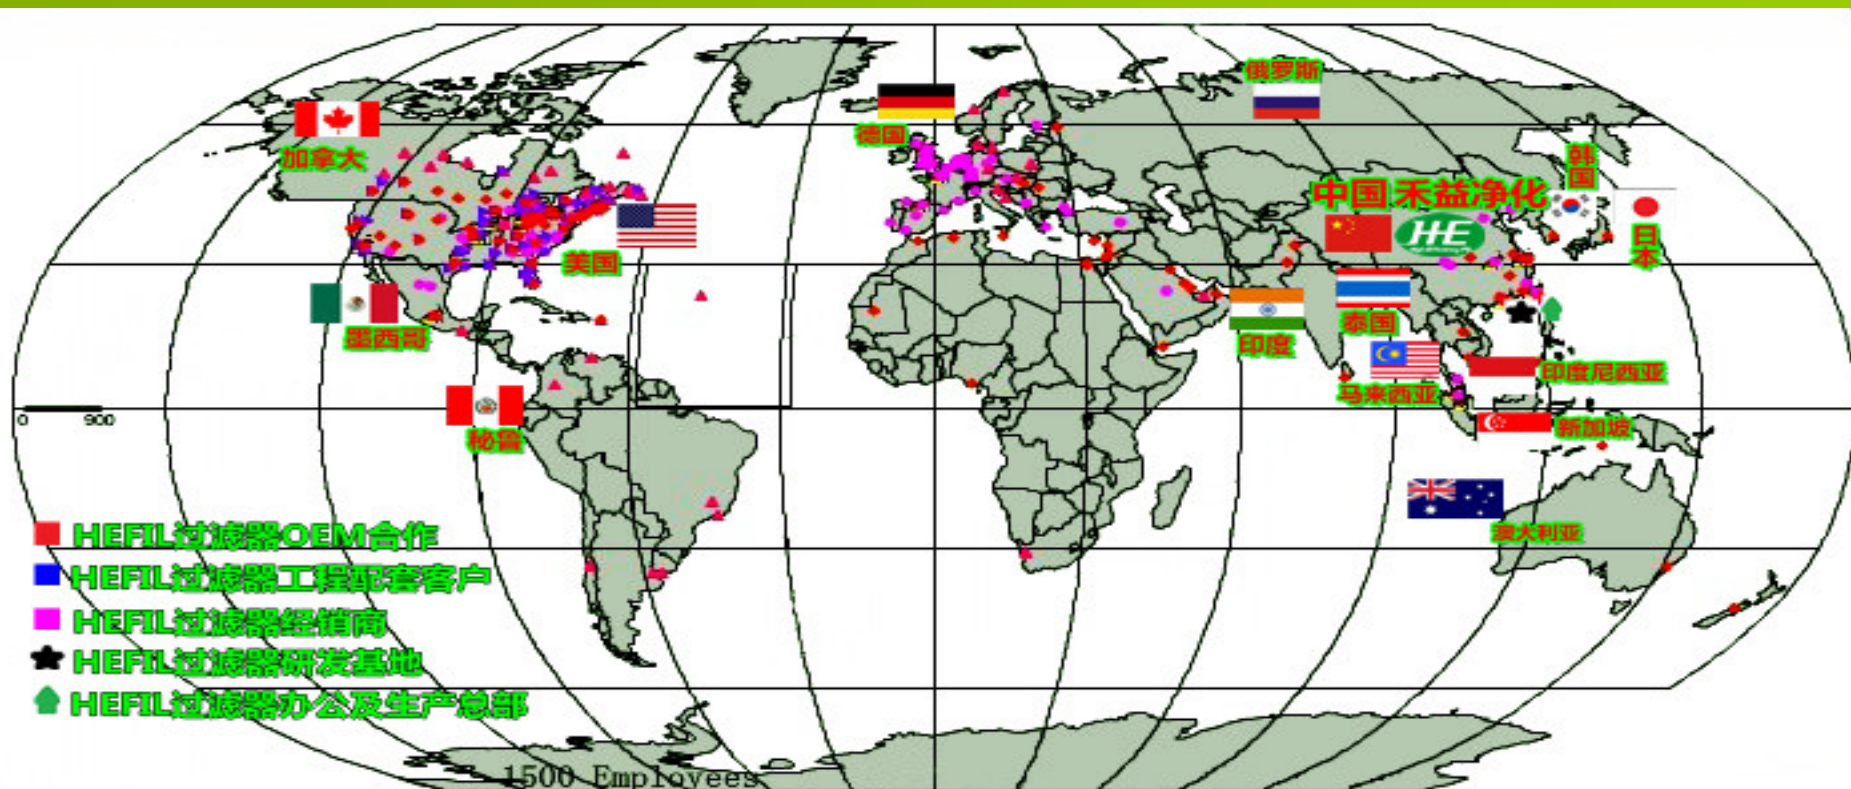

HEFIL
Purifying

Shanghai HEFIL Purifying

HEFIL has distributors, OEM and engineering company partners worldwide, and has more than 1200 staff in 15 countries, and has one R&D base. HEFIL has the perfect office and production management system, and it has a very strong team cohesion which has always been committed to the R&D of filter. It includes the R&D, manufacturing, wholesale and retail and relevant technical equipment and testing services of Primary, Medium and High efficiency air and liquid filter, chemical filter, high temperature-resistant Filter, FFU and purification equipment and clean room products.

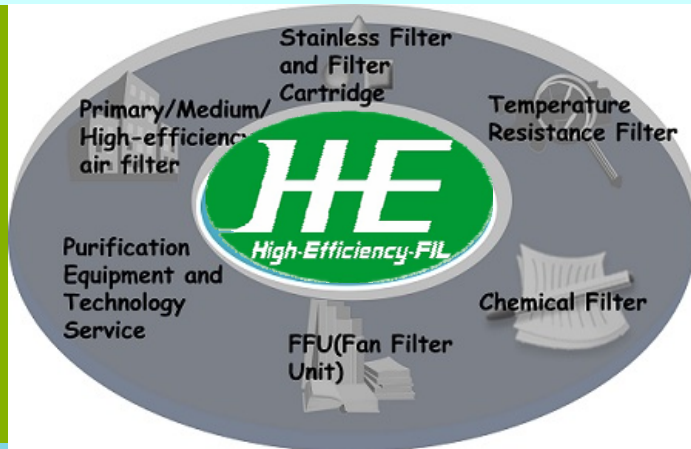

Shanghai HEFIL Purifying

HEFIL R&D Factory

Shanghai HEFIL Purifying Equipment Co.,Ltd (old factory) is located in Jiufu Development Area, Songjiang District, it covers 6500 square meters, a quarter of R&D, Manufacturing, sales and service in Asia.

此证书证明以下公司

上海禾益净化设备制造有限公司
上海禾益净化设备有限公司
中国上海市松江区九亭镇同利路 95 号

符合 ISO 9001:2000 质量管理体系

及在 BM TRADA 认可的质量系统认证范围内注册

此范围已按照本公司规则批准
贵公司同意按 ISO 9001:2000 标准维持质量体系
及按规则使用认可质量体系标志
详细阐明请参照此证书的范围及
ISO 9001:2000 要求的适用性可在持续评审中获得

BM TRADA Certification Ltd 代表签署

FFU Assembly
workshop

Tunrret Puncher

Other Production Facilities

- 1 Media Performance Analysis lab
- 1 set Media soakage and bake oven of Chemical Filter
- 1 temperature-resistance and No silica gel No volatilization lab
- 1 tool for checking angles

Shanghai HEFIL Purifying

HEFIL Production Capacity

2*4ft FFU box

- HEFIL daily production capacity is 100 pcs
- HEFIL monthly production capacity is about 3000 pcs

HEPA/ULPA Filter

- HEFIL annual production capacity is about 80000 pcs

Various Filter Production Capacity

- HEFIL annual production capacity is about 200000 pcs

Shanghai HEFIL Purifying

Air Filter used in Commercial and industrial field

- 1 clean room, semiconductor industry, precision instrument, subway
- 2 Microelectronics industry, TFT-LCD Optoelectronic industry, biology and pharmaceuticals industry, airport and Power Plant System.
- 3 Automobile industry, Health care industry, building, food and beverage industry.
- 4 nuclear industry, lab, school, Chemical industry, shipbuilding and coal mine industry.
